

Biochar & Bioenergy 2019 Conference

Lory Student Center, Colorado State University, Fort Collins, Colorado

Below are detailed instructions on your arrival to Fort Collins, including how to book the shuttle from Denver International Airport (or drive in a rental car) and where on-campus housing and the conference venue are located on the Colorado State University (CSU) campus.

HOW TO GET TO COLORADO STATE UNIVERSITY

Shuttle Services from Denver International Airport (DIA):

There is a shuttle service from DIA to Fort Collins that runs approximately every hour. You can be dropped-off/picked-up at the CSU Academic Village (the on-campus conference housing location) (\$49 each way), CSU Transit Center (\$35 each way), your hotel (\$35-49 each way) or at a private address (\$49 each way). The Academic Village is a 0.6 mile (12 minute) walk from the CSU Transit Center (see walking directions below). We strongly recommend making shuttle reservations several days ahead of time to ensure easy scheduling.

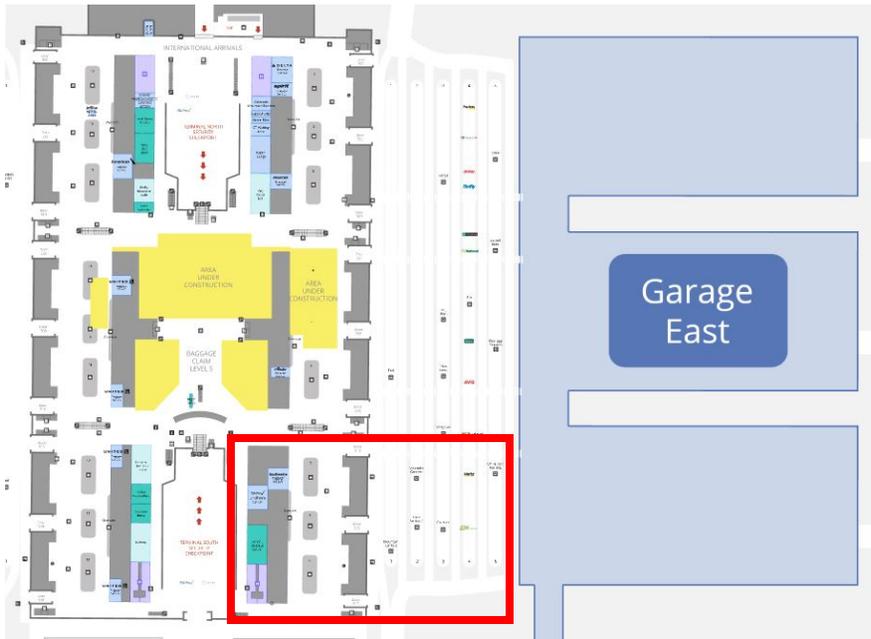

GROOME Transportation – for reservations, call (888) 472-6656 or visit the website:

<https://groometransportation.com/fort-collins/>

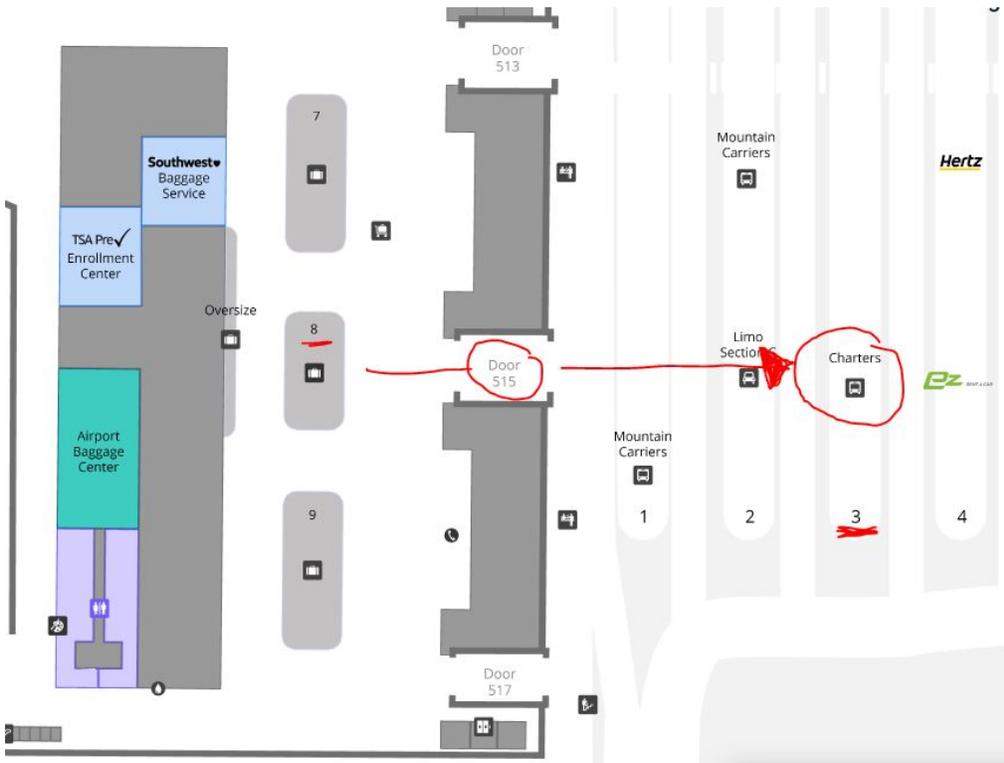

You can reserve a shuttle by going to the GROOME Transportation website and clicking on the “BOOK NOW” button under Fort Collins.

- This will open a new page, where you will click “Arrival Reservations”.
- You will then have the option to reserve either a One Way or Round Trip.
- In the first section, fill out your flight information for when you arrive.
- In the next section (“Dropoff location”), under “Hotels and other regular pickup Locations” select the dropdown option “**FC – Academic Village**” or “**FC – CSU Transit Center**” (or your own lodging location). If your lodging is listed under the regular pickup locations list, you do not need to make a selection under ‘Service Area for Northern Colorado and Southern Wyoming Home and Business’; if staying at a private address or hotel not listed, you will need to use the ‘Service Area’ selection.
- Fill out the information about the number of passengers in your group and the amount of luggage that you have.
- Fill out the same information for your departing flight.
- Click “Continue” and then select the Shared Service option that best works for you for first your arrival to CSU and then your departure from CSU. If you would like to leave straight from the Lory Student Center, you should select **FC – CSU Transit Center** for pick-up location.
- Fill out your flight information, personal information, and payment information.
- Hit “Continue” to confirm your reservation.

To get to the Groome Transportation pick up location at DIA:

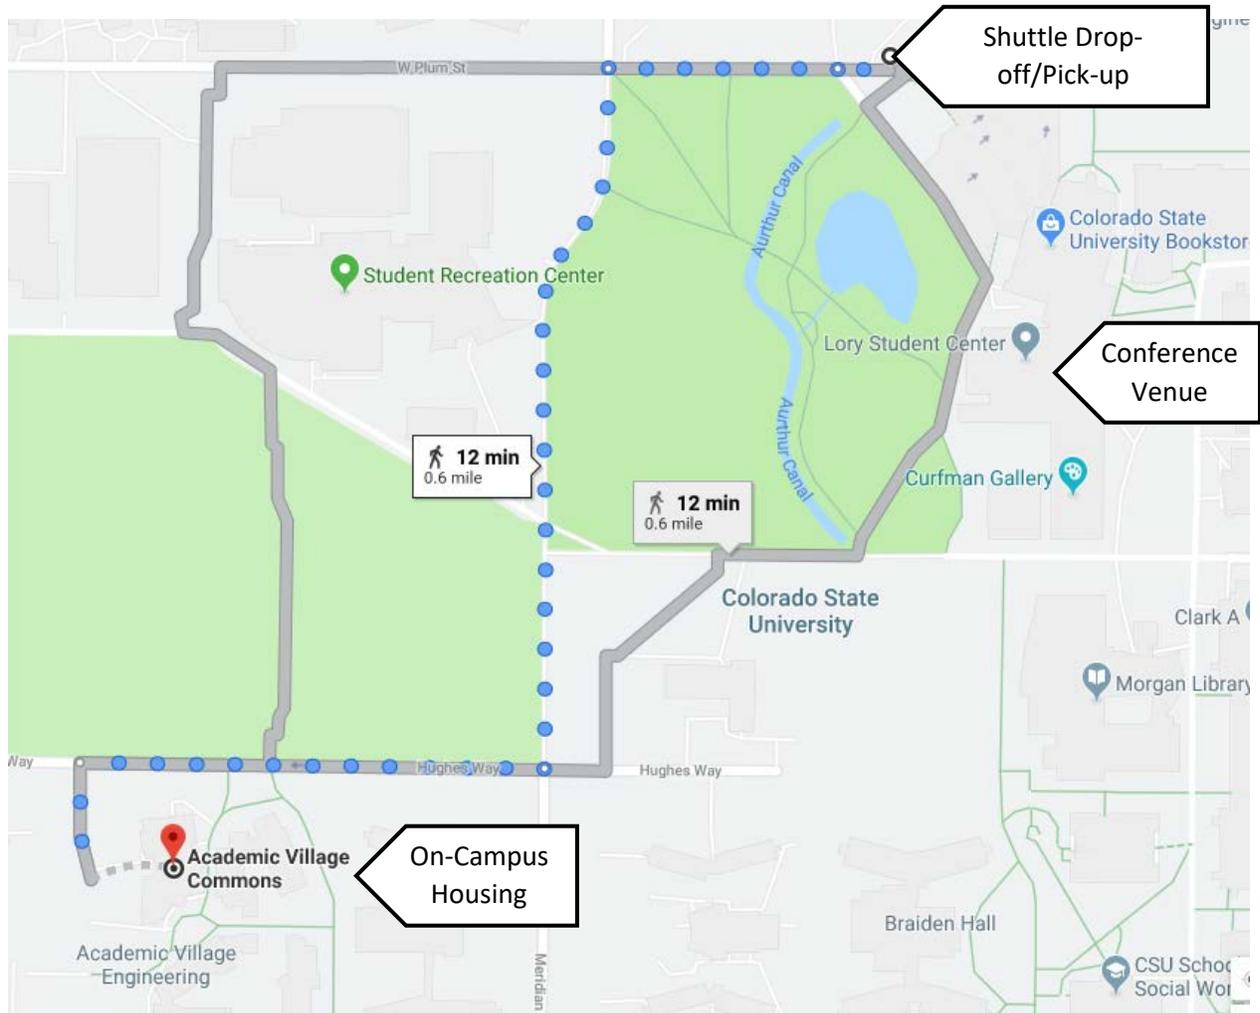

On the East side of the Main Terminal, exit via door 513, follow the crosswalk to Island 3, turn to the right and wait next to the "Charters" sign.

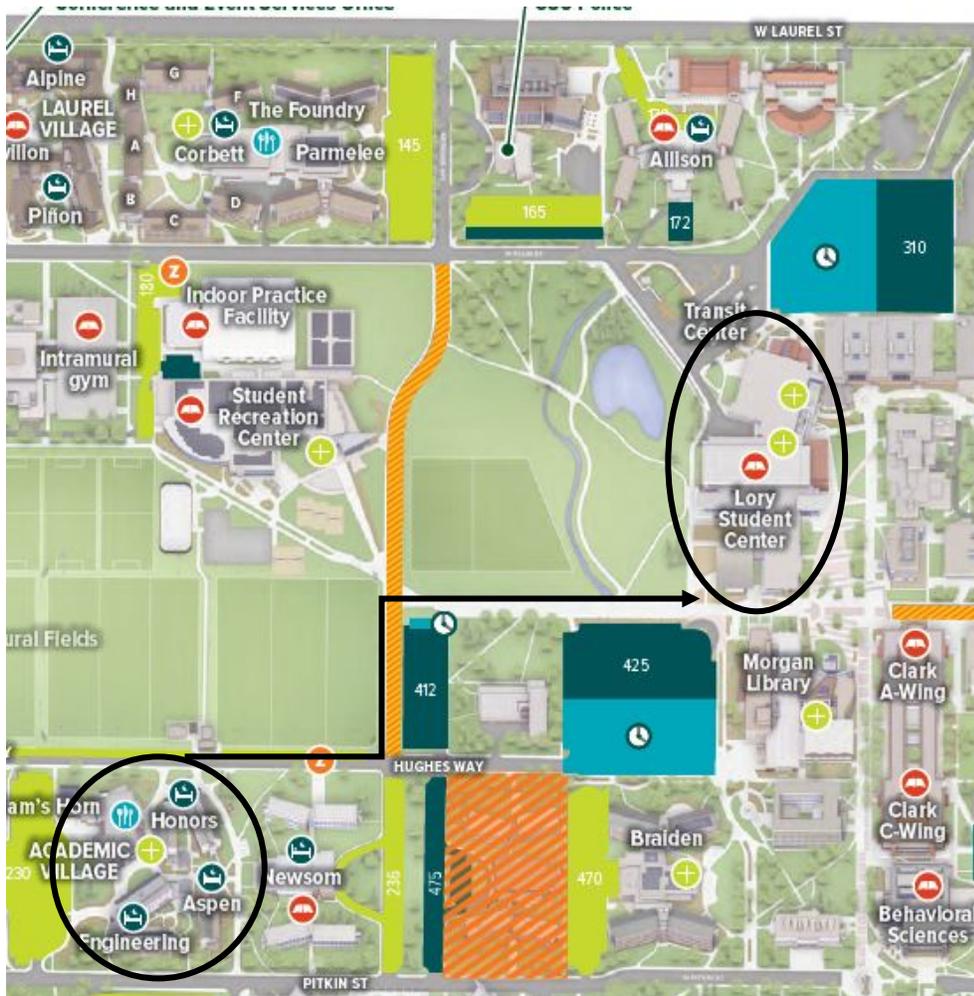

To get from the CSU Transit Center to the Academic Village (On-campus housing):

Google walking directions: <https://goo.gl/maps/3P9SGTmumM2ysfPr7>

- 1) Head west on North Dr./Plum St. (~500 ft)
- 2) Turn Left on Meridian Ave (0.3 miles)
- 3) Turn Right on Hughes Way (0.2 miles)
- 4) Turn Left on Ellis Dr. and walk into Academic Village Commons

To get to the Lory Student Center (Conference Venue) from the Academic Village:

Driving Directions from Denver International Airport to Fort Collins:

If staying at Academic Village and driving a car or using a ride service, use this address for navigation:

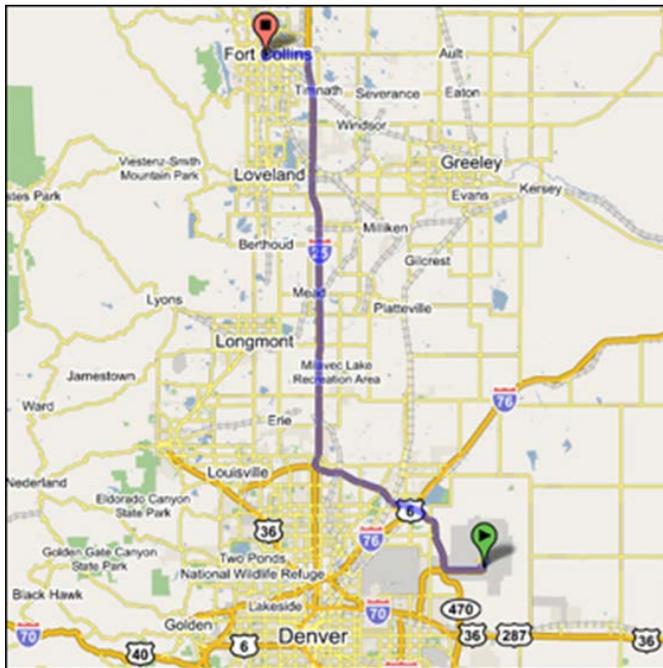

Academic Village Commons
820 W Pitkin St, Fort Collins, CO 80521

Driving directions: <https://goo.gl/maps/ZqQEa87NKjrHuyMT8>

Directions to Fort Collins/hotels near campus:

10. For further directions, visit the CSU campus maps: <http://www.map.colostate.edu/>

Rental Cars and the Toll (E-470):

Make sure to check with your car rental company about toll charges for your rental car.

Here is some info on rental cars and E-470 toll charges: <https://www.expresstoll.com/HowE-470Works/Pages/Rental-Cars.aspx>

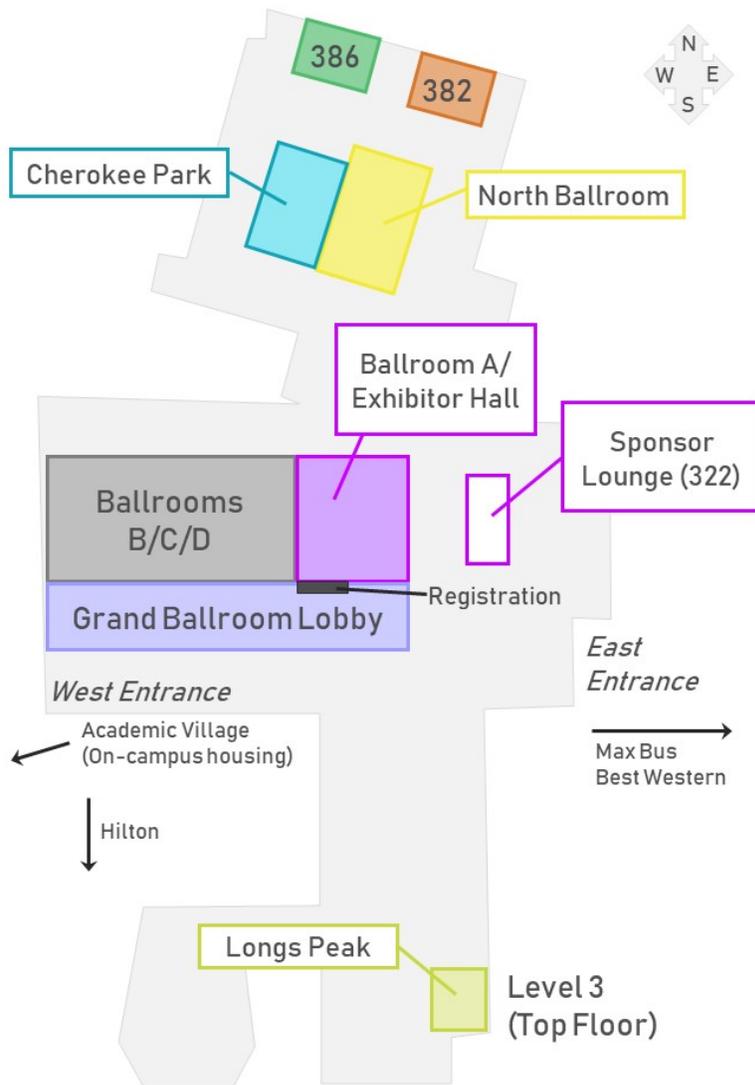

The round-trip toll charges will be around \$20.

How to Register/Check-In:

You can check-in or register in the Grand Ballroom Lobby (top floor) of the Lory Student Center at the following times:

- Sunday (June 30) from 4:00-7:00 pm
- Monday and Tuesday (July 1-2) from 7:00-10:00 am

Biochar & Bioenergy Meeting Rooms (Lory Student Center, 300 Level):

Conference Program:

You can find the conference program at https://biochar2019.meetinghand.com/en/event_program/112 or on the conference app.

Weather:

Weather in July tends to be dry and sunny with highs in the mid-80's (30 C) and lows in the mid-50's (14 C), but it's not uncommon for thunderstorms in the afternoons as well. We recommend you bring light layers and a rain jacket.

We can't wait to see you!
